

# OVER TWO THOUSAND VISITORS A DAY

## Gooper Explains Reason for Remarkable Average of Boston Callers.

During L. T. Cooper's recent stay in Boston, it is estimated that sixty-five thousand people talked with him and purchased his medicine. This is an average of over two thousand a day.

His success was so phenomenal as to cause universal comment both by the public and the press. There must be some reason for this and it is given in his own words by Mr. Cooper, when interviewed on the subject. He said:

"The immense number of people who are calling on me here in Boston is not unusual. I have had the same experience for the past two years wherever I have gone. The reason is a simple one. It is because my medicine puts the stomach in good condition. This does not sound unusual, but it is in fact the key to health. The stomach is the very foundation of life. I attribute 90 per cent. of all sickness directly to the stomach.

"Neither animals nor men can remain well with a poor digestive apparatus. Few can be sick with a digestion in perfect condition. As a matter of fact, most of the men and women today are half-sick. It is because too much food and too little exercise have gradually forced the stomach into a half-sick condition. My medicine gets the stomach back where it was, and that is all that is necessary."

Among Boston people who are staunch believers in Mr. Cooper's theory, is Mr. Frank D. Brown, of 57 Bloomingdale

street, Chelsea, Mass. He says:

"For five years I have sought relief for indigestion, stomach trouble and dyspepsia, spending nearly all my wages with doctors and obtained no results. I had dull pains across my back, radiating to the shoulders. I had splitting headaches, which nothing seemed to cure. There was a gnawing and rumbling in my stomach and bowels. I was troubled with vertigo and dizziness, and at times almost overcome by drowsiness.

"I felt tired and worn out all the time, my sleep was not refreshing, and I would get up in the morning feeling as weary as when I went to bed. My appetite was variable—ravenous at times then again nauseated at the sight of food. Sometimes my face was pale, at other times flushed. I was constipated and bilious, and had catarrhal affection in nose and throat, which caused me to hawk and spit a great deal, especially in the morning. I heard so much of the Cooper remedies that I decided to try them. After taking one bottle, a tape-worm 50 feet long passed from my system. I felt better almost immediately. All my troubles disappeared as if by magic, and my improvement was rapid. I now feel entirely well, and can honestly recommend Mr. Cooper's medicine to anyone who suffers as I did."

We sell the Cooper medicines which give universal satisfaction. —Charles Rogers & Son.

### TIES UP MONEY.

Missionary Society Had Funds on Deposit in Knickerbocker Trust Co.

NEW YORK, Nov. 18.—Missionaries in the Far East in Africa whose salaries are guaranteed by the New York branch of the Woman's Missionary Society of the Methodist Episcopal Church and who recently had checks on the Knickerbocker Trust Company, mailed to them, will have a hard time getting the checks cashed owing to the suspension of the company. In anticipation of possible trouble in this respect the secretary has mailed a circular letter to each of its 27,000 members in this state and New Jersey explaining the situation.

A few weeks before the annual meeting of the Society last month its officers found it was facing a deficit of about \$35,000. The women of the society were appealed to and by "prayer and work" as Mrs. J. Sumner Stone, the treasurer, describes it, the books were balanced and there was a credit balance of thirty two dollars on hand when the society met. The society had \$60,000 of its money on deposit with the Knickerbocker Trust Company and the missionaries were mailed their checks last month as usual. Then came the flurry and the enforced closing of the company. The society is represented in the Foreign mission field by many hundreds of workers. Mrs. Stone says that the women

of the society have now set to work to raise the money to replace the funds tied up by the suspension.

### Cured of Bright's Disease.

Mr. Robert O. Burke, Elms, N. Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from 12 to 20 times a night, and I was all bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up hope of living, when a friend recommended Foley's Kidney Cure. One 80 cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's Disease." T. F. Laurin, Owl Drug Store.

### Price of Playing the Double Role.

"It is safe to say that nine tenths of the women who break down in business are paying commercial overdrafts on energy, body and nerves, but of the effort to be at once the bread winner and the home maker." So writes Mrs. Anna Steese Richardson in the November Women's Home Companion.

When death removes the wife and mother, the husband either induces a relative to keep his family intact, or hire a capable caretaker for his children, or, as a last resort, places the latter in an institution where he can pay for their care. He realizes that he cannot do justice either to the children or his employer if he tries to manage his household and hold his position.

"But let the father die, and mother-love, ambition and a false estimate of her own strength lead the woman to undertake the impossible thing. So she undertakes to stretch the funds left her by her husband. She opens a shop or takes a position. All day she toils at the home at night to undo the mischief wrought through the day by a shiftless servant and untrained children. So she works eighteen hours a day at home and abroad when her physical being cries for rest. Somehow she manages to bring her children up to the age when they are self-supporting and then, folding her hands wearily, she dies without realizing the reward of motherhood. It is beautiful, touching heroism, but after all neither her employer nor her children gain by the sacrifice. The work for which she is paid is not so well done as if she had been free from domestic worry. Her children remember her only as a relentless driver of her own energies, a woman whose face was always lined and grim, who was tender and affectionate only in moments of weakness."

### Council Meets Not—

The city "Dads" are having times easy these days, the Governor's proclamation forestalling any desire on their part to transact the city's business. In the meantime many matters are at a standstill, documents are being placed on file and when the holidays finally do come to and end, the council will have to go some to transact the affairs before them.

### DON'T EXPERIMENT.

You Will Make no Mistake if You Follow This Astoria Citizen's Advice.

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Astoria. Follow the advice of an Astoria citizen and be cured yourself.

Wm. Joyce, 412 Duane street, Astoria, Oregon, says: "At the time I began using Doan's Kidney Pills, I was enduring a great deal of suffering from my kidneys. The secretions from these organs were so profuse as to give me a great deal of annoyance. As a result of not getting my proper rest at night, I would rise in the morning feeling more tired and weak than when I went to bed and during the day felt languid. The slightest exertion caused severe pains through my back and hips. I tried liniments and plasters but did not receive any relief. I then resorted to other remedies but still the results were unsatisfactory. At last my attention was drawn to Doan's Kidney Pills. I decided to give them a trial and procured a box at Charles Rogers' drug store. They helped me so much that I procured a further supply, used them and was entirely cured. I am now in unusually good health and do not hesitate to attribute same to the use of Doan's Kidney Pills."
